Returning players who "rolled over" their 2020 registration fees will indicated this on the registration form.
- NOTE:** Registrations received after May 2 will not be guaranteed a team shirt, but will be assigned to a team.

Canton Challenger Baseball is a division of Little League International and we are ready to begin our 28th season here in Stark County. Our program of organized baseball is for people with special needs:

Regular League: for ages 4 through 18, or 22 if still enrolled in high school

Senior League: for ages 16 and older as of April 30, 2021

Our teams are comprised of players with various levels of abilities. From spina bifida to Down syndrome, hearing or sight impaired, a walker or chair, developmental disabilities to autism or ADHD ... every child deserves to play and with the Challenger league no one is ever turned away.

Our teams play on regulation Little League fields, with regulation Little League uniforms, using most of the regulation equipment. We do make adaptations based on each individual's abilities and needs. Our season begins in May and runs through July. While we are based in Plain Township as part of Holly Hills Little League, we have players from all over Stark county and beyond. Currently we have over 150 players on our TWELVE teams, comprised of both new and experienced players – and we can always add one more smiling face to our roster!

If you are interested in playing with us, or would like more information please call or email so we can get your name on a roster.

We promise a positive experience of personal development through teamwork, discipline and achievement.

HOPE TO SEE YOU SOON!
